Sampling Date	Average Count Per Fish		
	Motile L.salmonis	Motile C.clemensi	Non-motile chalimus
07-Nov-20	9.38	0	0

Management action is currently underway at Lee's Bay

Due to differing circumstances for managing sea lice in British Columbia
Mowi Canada West has been granted an exception to indicator 3.1.7;
sea lice are instead managed in accordance with our Pacific Aquaculture Regulation.
