	Motile L.salmonis	Motile C.clemensi	Non-motile chalimus
Aug 29-Sep 01	1.25	0.11	0.81

Management action is currently underway at Marsh Bay

Due to differing circumstances for managing sea lice in British Columbia Mowi Canada West has been granted an exception to indicator 3.1.7; sea lice are instead managed in accordance with our Pacific Aquaculture Regulation.
